

# BRUCHA quality policy

---

## Product and quality standard

One of the pillars of the BRUCHA world of values is the complete trustworthiness and reliability we guarantee.

We stand by our word and cultivate our customer relations in order to meet the requirements of our customers and continuously develop our products further.

We achieve this through:

- **Definition of clear quality targets**
- **Communication of our standards and goals to all employees**
- **Commitment to continuous improvement of the quality management system**
- **Compliance with all legal requirements**
- **Creation of the appropriate environmental conditions.**

Through our customer- and quality-oriented product policy, we are able to gear our services towards our business partners. Through our competent personnel and our high-quality products, we ensure successful and fast realisation of construction projects.
